## DEMISE FIRE ANT & INSECT DEHYDRATOR

### Fire ant and insect killer

This powdered insecticide saps the life out of fire ants and other insects by literally draining them of their moisture. Just sprinkle some powder on or around ant hills and other entrances, then as soon as they track through it, the active ingredient silicon dioxide immediately begins to “suck” valuable moisture from their bodies. Best of all, if the insects are able to crawl back into the nest, the powder continues to cling to their bodies and contaminates the rest of the colony.

### Use in:

- Hospitals
- Restaurants
- Food/Feed processing plants
- Floor drains
- Garages
- Warehouses
- Schools
- Milking areas
- Locker rooms
- Mop Closets
- Bakeries
- Supermarkets
- Livestock areas
- Machine rooms
- Storage rooms
- Kitchens
- Hotels and motels
- Beverage and bottling plants
- Boiler rooms
- Sewers

### Effective Against

- Cockroaches
- Ants
- Earwigs
- Ticks
- Bedbugs
- Centipedes
- Mites
- Crickets
- Dark Mealworm
- Dermestids
- Termites
- Grain Mites
- Hornets
- Lice
- Millipedes
- Scorpions
- Silverfish
- Sowbugs
- Spiders
- Beetles

### Features and Benefits

- Contains Pyrethrin for quick knockdown; and silicon dioxide which dehydrates insects on contact.
- Powder clings to the body hairs of insects and is carried back to the nesting area.
- Works up to 6 months after application.
- Available in an easy-to-use puffer bottle.

### Properties

Appearance.....	White powder
Fragrance.....	Plant extract
Ready to use.....	Yes
Bulk Density.....	0.13 g/C <sup>3</sup> @20° C
Flash point.....	>200°F
pH.....	6.6 @20% solution
Residual Duration.....	Kills up to 6 months
Application.....	Use a bulbous, mechanical or electric duster

### Directions Complete directions on product label

Simply dust areas where bugs are hiding or areas they are traveling through.

**For Fire Ants**, sprinkle 2 tablespoons over mound.

### Authorizations

EPA registered product.

### Active Ingredients

Active Ingredients	Amount Active
Pyrethrin .....	1.0%
Piperonyl butoxide.....	10%
Silicone Dioxide.....	60%
Inert Ingredients.....	29%

**Safety** Caution: Keep out of the reach of children.
