Aluminum Transmission & Engine Cleaner

Concentrated and Soluble Powder

Designed to function most efficiently at elevated temperatures. Cleans and strips away oil, grease and other deposits from transmissions, radiators, and other metal parts without foaming problems. It will not leave a film or residue on parts and it will not plug up spray cabinets' jets, or build-up inside the spray cabinet

Cleans:

- Transmission
- Engines
- Radiators
- Metal Parts

Effective Against:

- Grease
- Oils
- Deposits

Features and Benefits

- Generates less waste than solvent cleaning
- Contains rust inhibitors to prevent flash rusting
- Effectively inhibits the growth of mold and mildew and the odors caused by them.

Properties

Appearance.....	White powder
Fragrance.....	Chlorine
Concentrate.....	Yes
Flash point.....	None
VOC content.....	<2.0% by wt.
Solubility.....	Complete in water
