## Gel Oven & Bar-B-Que Cleaner

*Quickly cuts through baked-on grime*

This concentrated gel degreaser is designed to remove carbon deposits, baked-on food and other stubborn soils from ovens, fryers, bakeware and barbecue grills. The powerful caustic formula softens and loosens tough deposits quickly and easily, without scrubbing or scraping, allowing you to just wipe the residue away with a sponge or cloth. Plus, it can be used in both hot or cold ovens.

### Use on:

- Ovens
- Grills
- Deep Fryers
- Bakeware
- Smokehouses
- Food Processing Equipment

### Effective Against

- Baked-on grease
- Encrusted food deposits
- Carbon and smoke
- Blackened grime

### Features and Benefits

- Thick gel clings without dripping or running.
- Quickly dissolves grease and tough baked-on food.
- Safe for kitchen surfaces and appliances.
- May be used in either a warm oven or cold oven.
