GREASE-IT

Bentone-based lubricant

Keep industrial equipment and machinery operating at peak performance with this versatile aerosol lubricant designed to endure high temperatures and extreme pressures. Its thick, clinging gel formula uses a tacky, cohesive, non-melt grease that offers outstanding anti-wear properties. It also seals out moisture to offer excellent protection against rust and corrosion.

Use on High-Friction Applications:

- Construction
- Mining
- Gears
- Chains
- Fittings
- Fleet
- Steel
- Conveyors
- Cables
- Wheel Bearings
- Marine
- General Industrial
- Tools
- Sprockets
- Power Winches

Effective Against

- Friction
- Seizing
- Excessive wear
- Rust
- Pounding out
- Galling
- Corrosion
- Wash out
- High temperatures

Features and Benefits

- Sprays as a penetrating liquid, then quickly sets up to a durable, protective gel.
- Seals out moisture for long-lasting lubrication and rust protection.
- Sets up in seconds and cures completely in 15 to 20 minutes.
- Non-melting with exceptional adhesive and cohesive properties.

Properties

Appearance.....	Thick Gold Emulsion
Fragrance.....	None
Specific gravity.....	<1
Spray Pattern.....	Spray
Extension Tube.....	Yes

Directions Complete directions on product label

Spray without extension tube for wide application. Spray with extension tube for precise application.

Active Ingredients

Hexane	
Petroleum Distillates	
Liquefied Petroleum Gas	

CAS Number

110-54-3
64742-54-7
74-98-6

Safety

Danger: Extremely Flammable Vapor harmful or fatal if inhaled. May cause skin irritation. Keep out of the reach of children
