No More Vapor

Reduces hazardous & flammable vapors

This vapor-suppressor is designed for use by fire departments, port authorities, sewer treatment plants and municipalities to reduce the fire hazard associated with flammable liquid spills. Its surface-active agent emulsifies and disperses fuels and hydrocarbons with water and significantly reduces the chance of explosions and fire due to combustible vapors. Its formula does not contain alcohol, or petroleum distillates.

Use in:

- Fire Departments
- Municipalities
- Port Authorities
- Industry
- Sewer Treatment Plants

Effective Against:

- Reduces fire hazard and hazards associated with flammable liquid spills.
- Suppresses flammable or combustible vapors.

Features and Benefits

- Designed for use by fire departments, port authorities, sewer treatment plants, transportation industry and municipalities.
- Reduces fire hazards associated with flammable liquid spills.
- Emulsifies fuels and hydrocarbons with water.

Properties

Appearance.....	Colorless liquid
Fragrance.....	Detergent
Ready-to-use.....	Yes
Specific gravity.....	1.01
Flash point.....	None
pH.....	6.9-7.5
Stability.....	1 year

Directions

Complete directions on product label

Ready to use. Apply with sufficient agitation to break up the slick. Can be applied with a hand sprayer, hose stream or with standard eductor equipment.

Active Ingredients

Water	
Poly (oxyethylene) nonylphenol	
Ethoxylated Octyl Phenol	
Sodium xylenesulfonate	
Propylene Glycol	

CAS Number

7732-18-5
9016-45-9
9036-19-5
1300-72-7
57-55-6

Safety

Caution: May irritate eyes. Keep out of the reach of children.
