Organic Acid Cleaner

Concentrated phosphoric acid cleaner

This liquid acid-based cleaner quickly and safely removes heavy lime and scale build-up from machinery, tools, appliances and a wide variety of other hard surfaces. It features a concentrated formula that can be used at full strength, or diluted for custom cleaning jobs. Plus, it cleans without the dangerous fumes and other hazards normally associated with acid cleaners.

Use on:

- Dishwashers
- Appliances
- Ice machines
- All metals
- Plastic
- Steam Tables
- Painted surfaces
- Tools
- Stone
- Glass
- Sinks
- Machinery
- Piping
- Tile
- Concrete

Effective Against

- Lime
- Rust
- Scale
