Oven Cleaner

Cleans ovens, grills and utensils

Simply spray this aerosol cleaner onto oven surfaces and it immediately develops into a thick, bubbling foam that penetrates and lifts away black carbon deposits and crusty, baked-on food deposits. Its gel formula is also safe to use on any metal kitchen appliance and utensil, making it the ideal cleaner for both institutional and home kitchens.

Use on:

- Ovens
- Smokehouses
- Deep Fryer
- Grills
- Bakeware
- Stove Burners
- Porcelain
- Food processing equipment
- Ceramics
- Rotisseries
- Cast Iron
- Stainless Steel

Effective Against

- Grease
- Built up carbon deposits
- Baked-on food

Features and Benefits

- Gel formulation clings to surfaces.
- Eliminates scraping.
- Cleans both warm and cold ovens.

Properties

Appearance.....	Blue Gel
Fragrance.....	Alkali
pH.....	13.5
