SALT AWAY

Eliminates discoloring of floors and carpet

This industrial strength rinsing compound was developed to remove the dulling, white-chalky residue left behind by ice melting products. It neutralizes the corrosive film left behind without harming painted or finished surfaces.

Use On:

- Hardwood and vinyl floors
- Metal surfaces
- Rugs and carpets

Effective Against

- Ice melt chemicals
- Prevents carpet stains

Features and Benefits

- Cuts through dull, white-chalky residue left by ice melting chemicals.
- Dissolves salt residue without harming painted or finished surfaces.
- Helps prevent the discoloring of floors and carpets.

Properties
