Shield

Water-Based Stone and Concrete Impregnator

Shield is a water-based, high grade, one step, multi-purpose impregnating sealer. Shield is solvent free, and highly vapor permeable. It provides exceptional protection against water, dirt, grease and oil. For interior and exterior use on all natural and man-made surfaces regardless of surface finish. Free of silicone and waxes, Shield bonds with the stone making it highly suitable for food courts, food service areas and kitchens.

Use on:

- Concrete
- Wood
- Grout
- Terrazzo
- Flagstone
- Limestone
- Travertine
- Stucco
- Pavers
- Slate
- Masonry
- Granite
- Marble
- Brick
- Unglazed Stone
- Ceramic

Note: Do not use on sealed or painted surfaces.

Effective Against:

- Water
- Moisture
- Stains
- Oil Marks

Features and Benefits

- Protect porous stone and concrete surfaces from the damaging effects of water, ice and petroleum
- Sweeps rain water off of outdoor surfaces preventing slips.
- Makes cleaning and maintaining surfaces easy
- Leaves an natural, "un-sealed" appearance to the surface.
