## ANTI-STATIC SPRAY

### *Prevents electrical discharge*

This professional strength liquid spray removes static electricity from a variety of surfaces to prevent valuable computer data and memory loss caused by static electrical charge. It offers long-lasting residual protection to reduce computer downtime and those annoying glitches, and also helps to reduce the attraction of dust to CRT screens and other electronic equipment. The special non-staining formula can also be used on carpets, upholstery and other fabrics, as well as on other hard surfaces in electronic environments.

### Stops static electricity on:

- Upholstery
- Work surfaces
- Floors
- CRT screens
- Rugs and carpets
- Computer equipment

*\*\* Do not spray directly into vents on mechanical or electrical equipment.*

### Features and Benefits

- Aids in protecting valuable computer data and prevents computing errors due to static electricity.
- A non-toxic, non-staining formula.
- Ideal for treating computer cabinets, screens and other equipment.
