## Foaming Tile & Shower Cleaner

*Ready-to-use lime & soap scum remover*

This non-abrasive cleaner is formulated to remove tough mineral deposits, stains and soap scum from tubs, tiles and bath fixtures. It blends together mild acid cleaners with wetting and penetrating agents and cleans with a heavy, thick foam that provides longer contact time with bathroom surfaces. It cleans without noxious fumes and is ideal for use on vertical and hard-to-reach surfaces.

### Use on:

- Tubs
- Fiberglass
- Tile
- Porcelain
- Plastic
- Grout
- Bath fixtures
- Water faucets

*\*\* Do not use on marble, colored grout or polished aluminum surfaces.*

### Effective Against:

- Minerals
- Hard-water deposits
- Soap scum
- Iron stains

### Features and Benefits

- Special cleaning agents generate a thick, clinging foam.
- Pleasantly scented, ready-to-use cleaner requires no scrubbing.
- Effectively removes soap scum, lime deposits and mineral stains from tile, plastic, fiberglass, porcelain and grout.
