GEL DEGREASER

Emulsifiable thickened gel

The thick-bodied formula of this degreaser was designed to cling to vertical and hard-to-reach surfaces to offer maximum cleaning performance without waste and run-off. It's fortified with special emulsifiers to loosen tough deposits like tar, oil and adhesives so that they can be easily flushed away with water. It's safe to use on painted surfaces, and cleans without leaving behind a residue.

Use on:
