High Glow

Neutral pH floor cleaner

This gentle concentrated cleaner is designed for regular damp mopping of floors finished with natural wax or synthetic finishes. It features a combination of powerful surfactants that lift away and remove dirt, grease and other soils without leaving behind a dulling film ... even without rinsing. It is ideal for everyday cleaning because its neutral pH assures that finishes are not dulled or damaged. It is also biodegradable and does not contain any phosphates.

Use On Floors With Natural Wax Or Synthetic Finishes:
