LOW FOAM EXTRACTOR CONCENTRATE

For both steam & hot-water extractors

This powerful liquid detergent cleans and brightens all types of carpets and rugs for longer life and better appearance. Its water-based formula is fortified with anti-soil agents and optical brighteners to remove embedded dirt and ground-in grime. It was designed for use in steam and hot-water extractors, and it's safe to use on all synthetic and natural fibers including those with factory-applied anti-soil treatments.

Use On:

- Upholstery
- Drapery
- Fabric
- Rugs and carpets

Features and Benefits

- Removes embedded dirt and ground-in grime.
- Separates individual fibers while raising the nap.
- Prolongs carpet life.
- Designed for both steam and hot-water extractors.
- Contains corrosion inhibitors to protect equipment.
