NON-FLAMMABLE SAFETY SOLVENT

Safely cleans motors and electrical equipment

This aerosol cleaner is formulated with special low-volatile and low-conducting ingredients to make it ideal for use on motors and electrical equipment, even while they operate. It has a high dielectric strength of 32,000 volts, and is potent enough to remove dust, dirt, oil and tar. Its fast-drying formula won't corrode delicate parts or leave behind any residue.

Use on:

- Electric motors
- Refrigeration units
- Power tools
- Generators
- Ice machines
- Vending machines

Effective Against

- Oil And Grease
- Dirt and Grime

Features and Benefits

- Dries quickly and leaves no residue.
- Non-flammable formula.
- Non-conductive - 32,000 volt dielectric.

Properties

Appearance.....	Clear liquid
Fragrance.....	Chlorinated solvent odor
Specific gravity.....	1.46
VOC content.....	>95% by wt.
Spray Pattern.....	Spray
Extension Tube.....	Yes

Directions Complete
