Paint & Varnish Remover

Thickened gel stripper

This thick-bodied industrial strength stripper removes a wide variety of paints and finishes. Its gel formula allows it to be used on vertical and hard-to-reach surfaces to achieve faster penetration and removal. It is safe to use on a variety of surfaces including wood, metal, stone and ceramic.

Use on:

- Wood
- Stone and terrazzo
- Metal surfaces
- Plaster interiors
- Concrete
- Ceramic

Effective Against

- All paints
- Shellac
- Finishes
- Varnish
- Seals
- Scotch Lite®

Features and Benefits

- Removes all types of coating quickly and effectively.
- Blisters old paint on contact.
- Thick formula adheres to vertical surfaces.
- Ideal for removing all types of paints and finishes from wood, metal, concrete and many other surfaces.
