SILICONE LUBE

General purpose lubricant reduces friction

If your equipment squeaks, sticks or binds, eliminate the effects of friction with this general purpose lubricant. This high-quality aerosol is made with reacted-grade silicone to offer superior lubrication on machinery like gears, locks, hinges and more. It's also formulated with fast-drying solvents to prevent gumming and seal out moisture.

This General Purpose Lubricant can be used on:

- Metal-to-Metal
- Rubber
- Mold Release Applications
- Molding Equipment
- Movable Parts On All Packaging and Processing Machinery
- Aluminum
- Plastic
- Rubber Door Seals On Autos
- Dry Cleaning Equipments
- Ironing and Pressing Equipment In Laundries
- Steel
- Window Seals
- Thread and Fiber Lube
- Vending Equipment
- And Many Other Applications

Effective Against

- Sticking
- Squeaking
- Helps To reduce rusting of exposed metal surfaces
- Binding
- Prevents locks from freezing
- Provides smooth and even cutting

Features and Benefits

- High-quality lubricant made with reacted-grade silicone.
- Instantly stops parts from sticking, binding and squeaking.
- Seals out moisture to protect against rust and corrosion.
- Formulated with fast-drying solvents to prevent gumming.
- Will not cause "fish eyes" when painted over.

Properties

Appearance.....	Colorless Liquid
Fragrance.....	Propellant odor
Spray Pattern.....	2 inch wide spray
Extension Tube.....	Yes

Directions Complete directions on product label

Clean surface that needs to be sprayed. Spray lightly with a sweeping motion. Avoid over-spraying.

Active Ingredients

Hexane	110-54-3
Propane	74-98-6
Butane	106-97-8
Silicone Fluid	68952-01-2

CAS Number

Safety

Danger: Extremely Flammable. Keep out of the reach of children
