SOLVENT CARPET CLEANER

Lifts away grease, oil & ground-in dirt

This powerful carpet spot cleaner is designed to remove heavy grease, oil and ground-in stains from carpets, rugs and upholstery. It contains a special cleaning solvent that dissolves tough stains and soils and allows them to be easily washed away with water. It can be used as a spot treatment, or used in conjunction with hot-water extractors and mixes well with all types of detergents and shampoos.

Water-based formula is:

- Designed for use with steam or hot-water extractors.
- Safe for use on all synthetic or natural fiber carpets and rugs.
- Can also be used on carpets with factory-applied anti-soil treatments.

Features and Benefits

- Formula is ideal for spot treatment.
- Tough stains are quickly dissolved and easily washed away with water.
- Safely mixes with all types of detergents and shampoos and increases their effectiveness.
