Steam and Pressure Wash Concentrate

For all steam cleaners and pressure washers

This powerful alkaline cleaner and degreaser is designed for use with high-temperature steam cleaners and pressure washers to quickly remove grime, oil and grease from metal, concrete and other hard surfaces. It can be diluted for specific cleaning jobs, and will not corrode, scale or damage the heating coils. .

Use on:

- Metal
- Fiberglass
- Gutters
- Busses
- Concrete
- Vinyl
- Vehicle engines
- Trucks
- Stone
- Farm equipment
- Machinery
- Heavy equipment

Note: Not for use on aluminum

Effective Against

- Oil and grease
- Carbon deposits
- Dirt and grime
- Road film

Features and Benefits

- Specifically developed for use with all high-temperature and high-pressure sprayer cleaning systems.
- Alkaline cleaners effectively remove oil, grease and grime.
- Special corrosion inhibitors protect surfaces, especially metal, from damaging rust.
- Varying dilution ratios provide cleaning for light, medium and heavy deposits of soil and dirt.
- Ideal for cleaning and protecting heating coils.
