Super Spray Glass and Cleaner

Gloss floor restorer and cleaner

This unique liquid floor restorer and cleaner is specifically formulated to enhance the appearance of resilient flooring. It renews the floor surfaces shine while it also repairs the scratches and scuff marks. It special reactive polymer matrix allows it to be applied with a mop and bucket, as well as high-speed buffers and burnishers. It dries fast and is safe to use with virtually any existing floor-finishing product to maximize the gloss potential of the finish.

Features and Benefits

- Rejuvenates acrylic floor finishes to their original gloss and fills pores within a floor's finish.
- Designed for use with ultra high-speed buffers and burnishers.
- Simultaneously lubricates burnishing pads to avoid powdering, hazing or yellowing of existing finishes.

Properties

Appearance.....	Clear liquid
Fragrance.....	Mild
Protect from.....	Freezing
pH.....	8.0-9.0

Directions Complete directions on product label

Mop Application: Dilute 2-4 ounces per gallon of water. Mop an even coat onto floor. Allow to dry (20-30 minutes). Burnish with a white or beige pad using an electric, battery or propane powered UHS burnisher.

Auto scrubber application: Mix ½ gallon in a 14 gallon auto scrubber tank. Scrub with a red pad. Pick up solution with vacuum. Allow to dry (5-10 minutes). Burnish with a white or beige pad using an electric, battery or propane powered UHS burnisher.
