## WATER-BASED Industrial Cleaner

### *Water-based neutral industrial cleaner/degreaser*

This product is a special blend of natural solvents and grease-cutting agents that penetrate deep into surfaces, loosening grease and oil deposits. The water-soluble, non-flammable formula contains no harmful petroleum distillates or chloric acid solvents and will not attack metal, concrete, masonry, paint or non-porous surfaces. This product is comparable with hand mopping, spraying and pressure washer applications.

#### Use on:

- Metal
- Concrete
- Shop floors
- Hand mopping
- Non-porous surfaces
- Steel metal lockers
- Brick
- High pressure washer
- Masonry
- Tile
- Air filters
- Sprayer
- Paint
- Terrazzo
- Walls
- Automatic floor equipment

#### Effective Against

- Grease and oil deposits

#### Features and Benefits

- Comparable with hand mopping, spraying and pressure washer application
- Use for everyday maintenance of industrial floors and walls
- Will not harm non-porous surfaces

#### Properties
