

# LED Canless Regressed Downlight

## Interchangeable Trims

LED recessed lighting is a versatile and convenient lighting option for any space, whether you are doing a home remodel or working with new construction. This canless downlight is designed to be an all-in-one solution that is quick, easy to install, and offers customizable color options. With five color options, 27K/30K/35K/40K/50K. Each recessed ceiling light has a junction box with quick connectors for simple wiring. The included interchangeable trim features a twist lock application that is easy to change the trim style in the future. In addition, with the ability to dim from 100% to 10%, you can control the light output according to your mood and preferences. Moreover, the wet location rating makes the LED recessed lighting suitable for outdoor and bathroom environments where moisture may be present. The LED recessed lighting is built to last, with an astounding 50,000-hour lifetime.
